

AUSTRALIAN DESIGNED AND MANUFACTURED

5 YEAR WARRANTY*

Options:

- Takedown lights
- Alley lights

Director Bar

- Several flash patterns available

Tip Up Message Display

- Does not block warning lights
- Display is protected when not in use
- Up to 99 programmable messages
- Red or amber available

LED Colours available:

 RED	 MAGENTA
 BLUE	 GREEN
 AMBER	 WHITE

Lens Colours available:

 RED	 AMBER
 BLUE	 C CLEAR

Features and benefits:

- Low profile unit with aerodynamic efficiency and unobtrusive styling
- Low current draw (approximately 20% of a standard lightbar – a standard 12 volt rotator draws 5 Amps, an LED module draws 0.2 Amps)
- Long service life due to LED technology and no moving parts
- LEDs rated to 100,000 hours of operation
- Solid state encapsulated electronics
- Weather-proof housing
- 360 degrees light output with increased vertical dispersion at peak output
- Meets strict European EMC directives

*5 year warranty on LED components

Construction:

- Polycarbonate lens with aluminium extrusion for strength and durability
- Plug in wiring harness for easy installation
- Unique mounting allows for a neat fit to the roof of the vehicle
- Height (centre) 53mm Width (centre) 305mm
- Lengths: 460, 590, 720, 850, 980, 1110, 1240, 1370, 1500, 1630, 1760 and 1890mm

Electrical:

- Units available in 12 or 24 volt
- May be controlled by conventional switches, relays or an integrated siren/amplifier switch (such as 809-001)

15 SERIES LIGHTBARS
